RESPONSE TO RESTRICTION REQUIREMENT

MAIL STOP AMENDMENT

Commissioner for Patents

PO Box 1450

Alexandria, VA 22313-1450

Dear Madam:

In response to the Restriction Requirement mailed March 17, 2006, Applicant elects Group I, claims 11-28, drawn to packaging for a bandage, and species I, claims 12 and 17, with traverse. Applicant believes that the identification of a removable sheet material, as being made of paper, foil or plastic, does not constitute an undue burden on the part of the Examiner to include these species in the instant election. Applicant further contends that claims 15-28 should also be included for the purposes of examination.

Respectfully submitted,

By: 

John G. Posa
